- Close collaboration between the Centre FLE and the Erasmus Student Network Association of Amiens (ESN- Amiens) for cultural and recreational outings

PRESENTATION

This degree course is designed for students who do not have a sufficient level of French language to enroll directly in a French university. This university degree (DU) allows you to obtain the Certificate of Preparation for University Studies with a specialization in French as a Foreign Language.

OBJECTIVES

- To acquire oral and written communication
- To be able to understand oral and written speeches related to your immediate environment
- To be able to interact in a variety of everyday situations,both at the university and in everyday life
- To be prepared for the TCF TP exams, to obtain B2 level which is a condition of eligibility for enrolment at French universities

A degree course over 2 semesters depending on the proficiency level of French at registration

METHODOLOGY

- Primacy to the cultural goal.
- Use of authentic visual, audio and written documents.
- Realization of authentic student activities (writing an email, preparing a presentation, etc.).
- Oral and written work, individually or in small groups.
- Use of ICTs, particularly the digital tools provided by the UPJV: Digital Work Space, library research tool...

COURSE CONTENT

The training courses are structured around 3 sets of complementary activities :
- Educational activities based on real-life : communicating by email with the administration, taking notes, preparing and delivering a presentation, etc.
- Thematic workshops (heritage, traditions and symbols, cuisine, family, etc.)
- Cultural and recreational activities, including visits to the cultural must-see, tourist and festive sites of Amiens and its region.

COURSE MATERIALS

- Daily writings: authentic materials such as instructions and forms, press articles, brochures, emails, etc.
- Advanced writings: academic texts (presentations lectures), literary texts (excerpts from novels, fables, poetry, short stories, tales, etc.); types of texts (argumentative, explanatory, descriptive, narrative, injunctive)
- Iconographic documents: advertising posters, photos, drawings, paintings, comic strips, caricatures, etc.
- Audiovisual documents: radio clips, film clips, news clips, documentaries, etc.

ASSESSMENT

- Diagnostic evaluation: Zoom Interview
- Formative evaluation: continuous knowledge assessment
- Internal summative evaluation: evaluation of the skills acquired that can lead to the DU-PES (in written and oral comprehension and written production)
- External summative evaluation: evaluation of the acquired skills that could lead to the TFC TP (compulsory tests + optional written production test)
